

Memorandum of Co-Operation
Between

Centre for Materials for Electronics Technology
(C-MET), Pune

and

International School of Photonics, Cochin University of
Science and Technology

**Memorandum of Co-operation between
CENTRE FOR MATERIALS FOR ELECTRONICS TECHNOLOGY (C-MET),
Pune**

**and
International School of Photonics, Cochin University of
Science and Technology**

This Memorandum of Co-Operation (herein after referred to as MOC) is made on this January of 2022,

Between

The **Centre for Materials for Electronics Technology**, an autonomous scientific society Under Ministry of Electronics and Information Technology, Government of India, (hereafter referred as "**C-MET**") having its registered headquarters at Panchawati, off Pashan Road, Pune-411 008, Pune, India, represented herein by its Director,

And

International School of Photonics, Cochin University of Science and Technology address at: CUSAT Road, Kalamassery, Cochin, Kerala, 682022 (India), hereinafter referred to as "**Computational Group**", represented herein by Assistant Professor Dr. Praveen C. S.

Whereas both C-MET and the Computational group, (hereinafter called 'Parties') desire to have collaboration in research jointly with the diligence and efficiency as desired within this MOC in conformity with appropriate plans and activities of mutual understading.

WHEREAS

- A) It is clearly and distinctly understood and acknowledged that this MoC has been executed by the International School of Photonics.
- B) Computational Group and C-MET believe that collaboration and cooperation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities without any financial obligations.
- C) The parties intent to cooperate and focus their efforts on R & D Interactive programs.
- D) C-MET is engaged in R & D work in Material Science, Electronic Materials and their applications.

Now therefore, in consideration of the mutual understanding set forth in this MoC, the parties agree to enter into this MoC.

Both the parties of this MOC agree to act in good faith and in a spirit of mutual understanding and accommodation to facilitate the R & D activity. The MoC is restricted to Dr. Praveen C. S. from International School of Photonics and C-MET.

The parties hereto have caused this MOC to be signed in their respective names as on signed date.

Shorab Kaaley

Director (A)
